

Anthony Arena Joins Topaz Lighting & Electric

Topaz Lighting & Electric, Holtsville, Long Island has hired Anthony Arena as Chief Operating Officer. Anthony comes to Topaz from a 20 year history of successful business ventures, with an emphasis on general management and operations strategies.

Anthony was previously president of Accurate Components, a company recognized as one of Long Islands top 25 fastest growing firms. Accurate Components was sold to Partminer Inc., allowing Anthony to bring his talents to the Topaz Lighting & Electric team.

Anthony attended Hofstra University earning a bachelor of Business Administration and Masters of Business Administration.

Topaz was founded in 1985 and has gained a reputation for quality products, on-time delivery and friendly service in the electrical industry throughout North and South America. Topaz has 5 locations and 17 stocking warehouses throughout the US.
